School Accountability Report Card Reported Using Data from the 2017—18 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018—19)

English and Spanish SARCs can be found on the school's landing page at www.aspirepublicschools.org

Aspire Capitol Heights Academy is a K-5 school in Sacramento that is part of the Aspire Public Schools network. Aspire Capitol Heights Academy opened in 2003

Aspire Public Schools is a non-profit organization that operates high performing charter schools across the state of California that focus on one goal- preparing urban students for college.

Our Vision

Every student is prepared to earn a college degree.

To open and operate small, high-quality charter schools in low-income neighborhoods, in order to:

Increase the academic performance of underserved students

Develop effective educators

Share successful practices with other forward-thinking educators, and

Catalyze change in public schools.

Our Core Values

Purposefulness: Deliberate action, focused on the organization's goals and priorities

Collaboration: Working collectively to accomplish more than what is possible alone

Ownership: Individual and group accountability for results, actions and decisions

Quality: Commitment to excellence and the discipline to continually improve

Customer Service: Responsiveness to the needs of external and internal customers

Aspire Capitol Heights Academy is a safe, caring, academically rigorous and inspiring learning environment where students develop the skills, knowledge and traits to become college-educated leaders in their communities.

The School's mission is to provide all students with an exceptional education that allow them to excel inside and outside the classroom. The School seeks to achieve this mission by providing students a rigorous core curriculum, a well-trained staff, high standards and expectations, extended instructional hours and support, personalized learning opportunities, and early access to college-preparatory experiences. By ensuring students become voracious, self-motivated, competent and lifelong learners. The School will prepare them not only for college but also for the 21st Century world.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2016—17	School 2017—18	District 2016—17	District 2017—18	State 2016—17	State 2017—18
English Language Arts / Literacy (grades 3-8 and 11)	22.0%	28.0%	39.0%	40.0%	48.0%	50.0%
Mathematics (grades 3-8 and 11)	19.0%	21.0%	31.0%	32.0%	37.0%	38.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018—19)

Family and Community Involvement

Aspire encourages all groups to participate in and share responsibility for the educational process and educational results. In order to achieve this important end, the School plans to share local control with an Advisory School Council ("ASC"), consisting of family and school representatives. Each school's ASC may participate in developing school policies and share in efforts to engage the support of the community. The ASC may make recommendations about issues related to the school and participate in reviewing family and community concerns. The ASC will consist of representatives of the following parties: the principal, teachers, and family members. The principal is responsible for communicating all ASC policy recommendations to the Aspire Board of Directors. In short, Aspire's Board of Directors oversees issues related to Aspire schools in general, while the ASCs focus on the day-to-day concerns of each respective Aspire school.

Additional Opportunities for Family Involvement

Families, students and teachers meet at least twice a year to plan and assess the students' learning progress and determine goals

R.O.P.E.S Panels – families may sit on panels to judge student work

School and Staff Evaluations – families fill out a survey each year evaluating the strengths and weaknesses they identify with the program at the School

Student-led Conferences – students will lead conferences on their work during the year to keep their families informed

Volunteer Opportunities – various opportunities will arise for families to volunteer, such as helping in classrooms, leading extra-curricular activities, assisting in event planning, attending study trips, and serving on family committees

Fundraising – families and community members may work with the school to raise additional resources to support students and the school program

Aspire Board of Directors Meetings – families and community members are welcome to the Board meeting. In compliance with the Brown Act, Aspire posts the agenda for Aspire Board of Directors meetings at least 72 hours prior to the meeting.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2014—15	School 2015—16	District 2014—15	District 2015—16	State 2014—15	State 2015—16

School Safety Plan (School Year 2018—19)

STATEMENT OF SAFETY POLICY

It is the policy of Aspire Public Schools (“Aspire”) to strive for the highest safety standards and to provide a safe workplace for all employees and a safe school for all students. Aspire has developed a comprehensive Injury and Illness Prevention Program (“IIP Program”) to achieve this end. The goal of this program is to minimize the frequency and severity of employee and student accidents and to comply with the laws and regulations that pertain to our operations. The program has been designed to eliminate physical hazards from the work and school environment and train all employees in safe work practices.

ASSIGNMENT OF RESPONSIBILITY

Aspire Principals have the ultimate responsibility for the implementation and enforcement of the IIP Program at their school site. Aspire Office Managers are responsible for the record keeping and coordination of the safety training programs at their school site. Employees – It is the responsibility of all Aspire employees to bring any unsafe actions, practices, or conditions to the attention of his/her manager or supervisor.

DISASTER PLANS

Disaster plans are located in each classroom. Each plan is site and classroom specific and covers such disasters as fire safety, earthquake safety, flood, severe weather warnings, electrical failure, gas line problems, water main breaks, water contamination, chemical spills, lockdown/shooting incidents, bomb threats, explosions, and intruders.

The School Safety Plan was reviewed, updated and discussed with faculty and a student representative between August 1 - September 14

Professional Development

Aspire is committed to the professional development of all of its team members. Once teachers are hired, Aspire invests in their continued professional development. Teachers new to Aspire participate in 1-2 weeks of summer training to build classroom management skills, increase their capacity to plan meaningful

and engaging lessons, and practice specific Instructional Guidelines that are core to the Aspire education program, and as follow-up they receive on-going coaching support from a variety of individuals to reinforce and deepen their training.

The School Principal, in his/her capacity as instructional leader, provides on-site coaching to all teachers. Teachers are organized into teams, led by an experienced "lead teacher" who has the skills to mentor others. Teachers are given time during the regular school day to collaborate and support each other to reach the Schools' and individual students' learning goals. This includes common preparation time through use of Integral Subjects (e.g. music, Spanish) and early release days on Wednesdays. Aspire also has instructional coaches who travel between school sites to provide additional support, give one on-one consultation, and conduct school-based professional development sessions.

Instructional coaches also guide experienced educators in their application for certification from the National Board for Professional Teaching Standards. In addition, Aspire conducts one or two regional training sessions in areas identified as system-wide weaknesses based on the prior year's SBAC results. Teachers are observed and given feedback a minimum of four times per year by their school administrator.
