School Accountability Report Card

Reported Using Data from the 2019–2020 School Year

California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020–2021)

This is Aspire's Guarantee to Parents:

At any Aspire campus, parents can expect:

- A demonstrated improvement in their child's academic performance;
- An open invitation to attend their child's classes;
- Easy, open communication with their child's teacher
- The opportunity to rate the performance of teachers and the school annually; and
- Eligibility to serve on the school's governing body, the Advisory School Council.

The School recognizes that children learn best when parents are engaged in their education. To help parents and guardians become great coaches for their children, and to invite parent participation in all aspects of school life, the School features:

- Special Saturday classes: Scheduled at the beginning of the year, these three mandatory half-day sessions allow parents to attend school with their children.
- Participation in school decision-making: Aspire includes parent representatives on the Advisory School Council and parent participation on the school's Teacher Hiring Committee.

- Opportunities to evaluate the School and its staff: Each spring, parents are asked to complete a survey evaluating the School, the principal, and their child's teachers. The survey results are reviewed by the School staff as well as Aspire's Home Office and are a factor in personnel decisions such as merit raises.

- Regular communication about student learning and behavior: parents, students, and teachers meet at least twice a year during Family Conferences to plan and assess the students' learning progress and determine goals. In addition, the School staff will call parents regularly, both to provide positive reinforcement for academic growth and to inform parents when students make choices that do not match the School's behavior and academic expectations. In addition, the School tries to create ways for families to invest some time in volunteer service each year. The School provides a variety of opportunities to match with different skills and interests. Examples include helping in classrooms, leading extra-curricular activities, coaching sports teams, assisting with event planning, attending field trips, attending ASC meetings, serving on parent committees, fundraising, and communicating with other parents.

Advisory School Council

Aspire encourages all groups to participate in and share responsibility for the educational process and educational results. The School has a recently-formed Advisory School Council ("ASC"), which meets occasionally as needed, and consists of teachers, parents, and the School Principal. The School's ASC is intended to assist in developing School policies, engaging the community, and fulfilling certain compliance requirements related to state and federal funding. The ASC may make recommendations about issues related to the School and participate in reviewing parental and community concerns. If necessary, the principal is responsible for communicating all ASC policy recommendations to the Aspire Board of Directors.

Families interested in participating or learning more about our parent involvement opportunities can contact our school's main office at (510)562-8030 for additional information.

School Safety Plan (School Year 2020–2021)

It is the policy of Aspire Public Schools (“Aspire”) to strive for the highest safety standards and to provide a safe workplace for all employees and a safe school for all students. Aspire has developed a comprehensive Injury and Illness Prevention Program (“IIP Program”) to achieve this end. The goal of this program is to minimize the frequency and severity of employee and student accidents and to comply with the laws and regulations that pertain to our operations. The program has been designed to eliminate physical hazards from the work and school environment and train all employees in safe work practices.
