School Accountability Report Card

Reported Using Data from the 2019–2020 School Year

California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Family and Community Involvement

Aspire encourages all groups to participate in and share responsibility for the educational process and educational results. In order to achieve this important end, the School plans to share local control with an Advisory School Council (“ASC”), consisting of family and school representatives. Each school’s ASC may participate in developing school policies and share in efforts to engage the support of the community. The ASC may make recommendations about issues related to the school and participate in reviewing family and community concerns. The ASC will consist of representatives of the following parties: the principal, teachers, and family members. The principal is responsible for communicating all ASC policy recommendations to the Aspire Board of Directors. In short, Aspire’s Board of Directors oversees issues related to Aspire schools in general, while the ASCs focus on the day-to-day concerns of each respective Aspire school.

Additional Opportunities for Family Involvement

Families, students and teachers meet at least twice a year to plan and assess the students’ learning progress and determine goals

School and Staff Evaluations – families fill out a survey each year evaluating the strengths and weaknesses they identify with the program at the School

Student-led Conferences – students will lead conferences on their work during the year to keep their families informed

Volunteer Opportunities – various opportunities will arise for families to volunteer, such as helping in classrooms, leading extra-curricular activities, assisting in event planning, attending study trips, and serving on family committees

Fundraising – families and community members may work with the school to raise additional resources to support students and the school program

Families interested in participating or learning more about our parent involvement opportunities can contact our school's main office at (209)303-5242 for additional information.

Aspire Board of Directors Meetings – families and community members are welcome to the Board meeting. In compliance with the Brown Act, Aspire posts the agenda for Aspire Board of Directors meetings at least 72 hours prior to the meeting.
