2019–2020 School Accountability Report Card

[Translation Disclaimer](#)

School Accountability Report Card

Reported Using Data from the 2019–2020 School Year

California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Mike McCoy, Principal

- Principal, Aspire Centennial College Preparatory Academy

About Our School

Dear Aspire Centennial Students and Families,

Welcome to the 2020-2021 school year!

Aspire Centennial College Preparatory Academy opened its doors in 2013 to serve families in the Huntington Park Area. As a small, 6-8 grade, charter school, CCPA is committed to supporting students' academic and social-emotional needs. In 2019-2020, we collected the input from our students, families, and team members to create our new core values:

- Respect
 - Take care of yourself (self-respect)
 - Take care of each other's (respect for others)
 - Take care of this place (respect for the learning environment)
- Individuality
 - Knowing, loving and respecting your uniqueness
- Strength
 - Persevering through difficult moments
- Empathy
 - Patience and understanding of community members and responding with care and concern

Our hope is for our students to embody these core values as they continue to learn and grow and future leaders in our world and in our community. In addition to our core values, we invite students to participate in community building circles, as well as participating extracurricular activities (sports, after school clubs).

We look forward to working with your scholar throughout the year.

Sincerely,

-Mr. Mike McCoy, Principal

School Description and Mission Statement (School Year 2020–2021)

Aspire Public Schools is a national non-profit 501(c)(3) public benefit corporation that operates high performing charter schools that focus on preparing urban students for college. Aspire currently operates charter schools at 40 different campuses in various school districts in the state of California.

Aspire Centennial College Preparatory Academy is a 6-8 grade school in Huntington Park that is part of the Aspire Public Schools network. Aspire Centennial College Preparatory Academy opened in 2013.

Vision: Every student is prepared to earn a college degree.

Mission Statement:

To open and operate small, high-quality charter schools in low-income neighborhoods, in order to:

1. Increase the academic performance of underserved students
2. Develop effective educators
3. Share successful practices with other forward-thinking educators, and
4. Catalyze change in public schools.

The School's mission is to provide all students with an exceptional education that will allow them to excel inside and outside the classroom. The School seeks to achieve this mission by providing students a rigorous core curriculum, a well-trained staff, high standards and expectations, extended instructional hours and support, personalized learning opportunities, and early access to college-preparatory experiences. By ensuring students become voracious, self-motivated, competent and lifelong learners, the School will prepare them not only for college but also for the 21st Century world.

State Priority: Basic

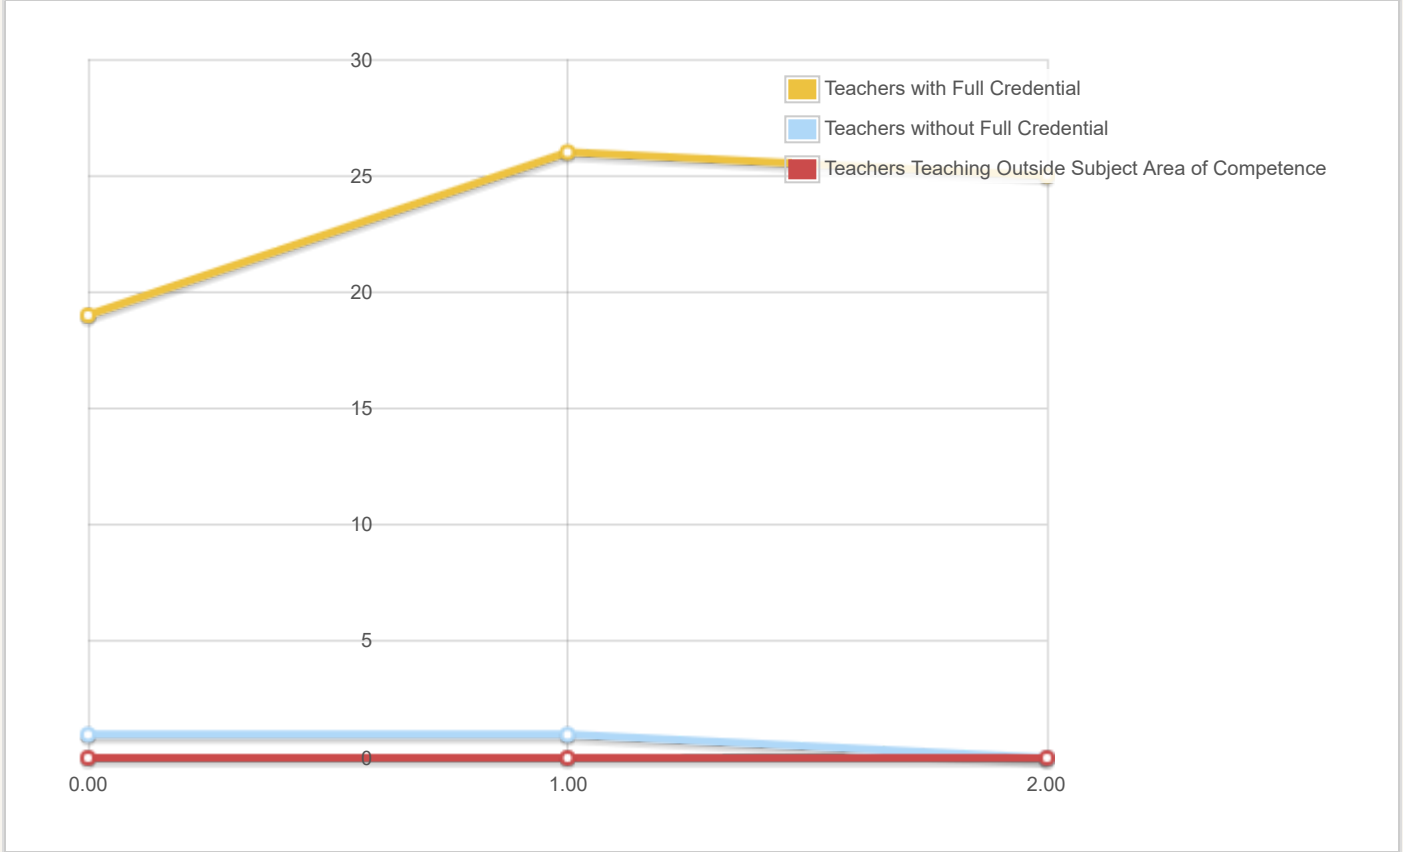

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2018– 2019	School 2019– 2020	School 2020– 2021	District 2020– 2021
With Full Credential	19	26	25	
Without Full Credential	1	1	0	
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	0	0

School Facility Conditions and Planned Improvements

The facilities at CCPA are in satisfactory condition. No major improvements are planned. However, the interior of the school was painted in summer 2016 and security cameras were updated. CCPA maintains general upkeep with one full-time employee and an outside vendor cleaning crew to maintain cleanliness and safety.

Last updated: 1/14/2021

School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: December 2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs		
External: Playground/School Grounds, Windows/Doors/Gates/Fences	Good	

Overall Facility Rate

Year and month of the most recent FIT report: December 2020

Overall Rating	Exemplary
<i>Last updated: 1/14/2021</i>	

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018– 2019	School 2019– 2020	District 2018– 2019	District 2019– 2020	State 2018– 2019	State 2019– 2020
English Language Arts / Literacy (grades 3-8 and 11)	47%	N/A	40%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	27%	N/A	30%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Last updated: 1/14/2021

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2019–2020)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
7	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

Last updated: 1/14/2021

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020–2021)

The school recognizes that children learn best when parents are engaged in their education. To help parents and guardians become great coaches for their children and to invite parent participation in all aspects of school life, the school provides various features. Parents are important partners in the education of the students, and their input and involvement are sought and highly valued:

1. An open invitation to attend their child's classes.
2. Easy, open communication with their child's teacher.
3. Proactive communication through various ways: the school sends out ParentSquare messages, weekly newsletters, flyers, Robo-calls, and agendas for all parent meetings which are posted a week in advance through ParentSquare.
4. Opportunities to evaluate the School and its staff: Each spring, parents are asked to complete a survey evaluating the School, the principal, and their child's teachers. The survey results are reviewed by the School staff, as well as Aspire's Leadership, and are a factor in personnel and instructional decisions.

5. Regular communication about student learning and behavior: parents, students, and teachers meet at least twice a year during Student Led Conferences to plan and assess the students' learning progress and determine goals. In addition, the School staff will call parents regularly, both to provide positive reinforcement for academic growth and to inform parents when students make choices that do not match the School's behavior and academic expectations.

In addition, the School creates ways for families to invest some time in volunteer service each year. The School provides a variety of opportunities to match different skills and interests with needs. Examples include helping in classrooms, leading extra-curricular activities, coaching sports teams, assisting with event planning, attending field trips, attending various parent meetings (parent workshops, coffee with the principal, SSC), serving on parent committees (such as ELAC and SSC), and communicating with other parents.

School Site Council: Aspire encourages all groups to participate in and share responsibility for the educational process and educational results. The School has a School Site Council ("SSC"), which meets regularly, and consists of teachers, parents, and the School Principal. The school's SSC is intended to assist in developing and reviewing school policies, engaging the community, and fulfilling certain compliance requirements related to state and federal funding. The SSC may make recommendations about issues related to the School and participate in reviewing parent and student concerns, community issues, and special projects.

Last updated: 1/14/2021

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	Suspensions	Expulsions
School 2017–2018	0.40%	0.00%
School 2018–2019	0.85%	0.00%
District 2017–2018	0.80%	0.00%
District 2018–2019	0.85%	0.00%
District 2017–2018	3.50%	0.10%
District 2018–2019	3.50%	0.10%

**State
2017–2018**

Suspensions and Expulsions for School Year 2019–2020 Only

State (data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	Suspensions	Expulsions
School 2019–2020	0.00%	0.00%
District 2019–2020	--	--

**State
2019–2020**

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to prior years.

Last updated: 1/14/2021

School Safety Plan (School Year 2020–2021)

It is the policy of Aspire Public Schools (“Aspire”) to strive for the highest safety standards and to provide a safe workplace for all employees and a safe school for all students. Aspire has developed a comprehensive Injury and Illness Prevention Program (“IIP Program”) to achieve this end. The goal of this program is to minimize the frequency and severity of employee and student accidents and to comply with the laws and regulations that pertain to our operations. The program has been designed to eliminate physical hazards from the work and school environment and train all employees in safe work practices. Aspire Principals have the ultimate responsibility for the implementation and enforcement of the IIP Program at their school site. Aspire Office Managers are responsible for the record-keeping and coordination of the safety training programs at their school site. It is the responsibility of all Aspire employees to bring any unsafe actions, practices, or conditions to the attention of his/her manager or supervisor.

Students are responsible for their own actions and will have to abide by the consequences, both positive and negative, of those actions. Students are held accountable for their behavior in school and during any school-sponsored activity. The staff are responsible for positive reinforcement, consistency, and modeling appropriate behavior, in particular through Positive Behavior Intervention and Supports.

Through Restorative Practices, students learn to be effective decision-makers and problem-solvers who demonstrate elements of self-direction, responsibility, and self-discipline. This entire process is built on respect with every adult and student viewed as a person who has dignity and worth as an individual. Each school will be a safe and orderly place for our students to receive a quality education. Our students also create Safety and Respect agreements in their classroom that they follow throughout the year. Our school also has school-wide safety and respect agreements that are adhered to across the campus.

DISASTER PLANS – School Safety Plans are written and revised annually, and disaster plans are located in each classroom. Each plan is site and classroom specific and covers such disasters as fire safety, earthquake safety, flood, severe weather warnings, electrical failure, gas line problems, water main breaks, water contamination, chemical spills, lockdown and shooting incidents, bomb threats, explosions, and intruders.

Monthly drills include fire, earthquake, shelter in place, intruder, etc. All drills are held in synchronization with LAUSD Early Education Center as they are on the same site. Debriefs and discussion to improve follow each drill. The School Safety Plan was reviewed, updated, and discussed with faculty in August 2020.

Types of Services Funded (Fiscal Year 2019–2020)

1. Academic intervention/program – Aspire CCPA offers intervention courses for students as an elective class for those that are struggling academically. In addition to that, we offer small group intervention during our FLEX period Monday through Thursday to support students' academics needs after reviewing their grades, academic performance in classrooms as well as assessment scores.
2. Individual Counseling – Individual Counseling is a Tier 3 intervention for students who need intensive social-emotional support. The majority of our students in Individual Counseling are students who have already received Tier 1 and 2 interventions and have demonstrated a need for more individualized support. Individual Counseling is progress monitored based on goals established with the student and Counselor.
3. Social-Emotional Behavioral (SEBL) Groups – SEBL Groups are a Tier 2 support that is available to students who need more targeted interventions. SEBL groups range in topic from academic themes such as Study Skills Group and Organizational Skills Group, to peer relationships themes such as Social Skills Group and Conflict Resolution Group, to emotional regulation topics such as Stress Management Group and Anger Management Group. We also have Tier 2 groups that are similar to group therapy, and that target serious topics that may be impacting our students, such as Grief Group and Changing Families Group. SEBL groups range in length but are generally 6-8 weeks and are progress monitored with pre and post-tests.
4. Conflict Resolution Interventions – CCPA's restorative justice approach to discipline involves a lot of circles with students to resolve conflicts. These circles are generally facilitated by 1-2 staff members and are structured so that students have an opportunity to share and can repair any harm that was done. In addition to that, we also utilize the Peer Mediation Program quite a bit. Peer Mediation is a program in which students help other students resolve conflicts. A group of (ten 8th grade students) are trained at the beginning of the school year and in pairs, they are assigned a day of the week to be "on duty." Peer Mediators effectively resolve approximately 40-50 cases each year.
5. Advisory Lessons on Bullying and Bullying Intervention Skills – CCPA uses Lions Quest as its primary resource in the creation of its advisory lessons taught Monday through Thursday. During this time we directly teach lessons around the different types of bullying. We also offer language, and strategies to assist students in navigating through conflicts with their peers, as well as support systems and structures in the event conflicts, can be resolved.
6. Community Building Intervention - A minimum of once a week, CCPA designates times for students and teachers to building community together. These community-building activities include community building circles, games, skits, group & projects just to name a few. In addition to that, we host community events throughout the year to build a positive community with our students and families outside of the educational day. Some of the events we have hosted in the past have been our fall festival, thankful dinner, movie nights, back to school, and exhibition night. The goal is for us as a school community to continue to build a sense of community to best support our students.
7. Bullying Prevention Student Clubs – Empathy, Diversity, and Inclusion – CCPA offers several clubs to build community and comradery amongst other students and staff. some of the clubs include:

- Lunch Bunch – a group of students who come to work with others and play games with one of our counselors every day during lunch
- Boys group & girls circle – our CCPA staff members act as mentors and positive role models for a group of students. They meet every week as well as schedule field trips on the weekends and after school.
- Pride Club - Pride Club is a safe space for students who identify as LGBTQ+ as well as supporters. One of our counselors facilitates this club. This is an open club that takes place during lunchtime, and any student may attend if they are interested.
- Associated Student Body (ASB) - ASB is a group created to represent the student and working with teachers and administration in creating an ideal learning environment for students. ASB requires students who are ambitious, responsible, resourceful, self-disciplined, self-motivated, and exemplify our Core Values: Respect, Individuality, Strength, and Empathy (RISE).
- Happiness Project – a club created by students with assistance from our Assistant Principal, to spread happiness, understanding of differences, and positively around campus.

8. Parent Outreach and Supports – Aspire CCPA has a full-time parent outreach coordinator. Her primary role is to connect with families and identify how we can best support one another to support the diverse needs of our student population. CCPA also offers parent workshops on a variety of topics delivered by counselors as well as community agencies with which we have a partnership. Counselors also offer additional support and resources to parents/families who are going through a difficult time or experiencing homelessness.

9. Meal Program – As of the 2019-2020 Academic school year, our school is following Provision 2 under the National School Lunch Program. All students receive nutrition and lunch at no charge to them.
