School Accountability Report Card

Reported Using Data from the 2019–2020 School Year

California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

About Our School

Aspire University Charter school has been serving students since 1999. We are a TK-5 grade Elementary school with approximately 420 students.

At UCS we feel it is important to provide access to education for all families and students. We do this by examining our own beliefs about equity and engaging in professional development that is aligned to our Aspire Equity Commitments. We have a dedicated group of families who regularly facilitate and attend our ELAC/SSC meetings. If translation is needed we provide it. We value social emotional learning and prioritize it in our school day. We have created a five year plan with a focus on building a robust program that will meet the needs of our students who are classified as English Language Learners.

Our team works in the field of education because we care deeply about students and families. The UCS team is dedicated to putting customer service at the forefront. Whether it be distance learning or in person learning, it is our honor and pleasure to work with families and students.

This is the start of my 20th year at Aspire UCS, and I can say without hesitation that our students, families, and staff make UCS a beautiful place. If you are interested in joining our UCS family, I encourage you to come visit and see us in action.

If you are already a part of the UCS family please don't hesitate to share your ideas, questions, and concerns with me. Together, we can achieve more!

School Description and Mission Statement (School Year 2020–2021)

English and Spanish SARC's can be found on the school's landing page at www.aspirepublicschools.org

Aspire University Charter School is a K-5 school in Modesto that is part of the Aspire Public Schools network. Aspire University Charter School opened in 1999

Aspire Public Schools is a non-profit organization that operates high performing charter schools across the state of California that focus on one goal- preparing urban students for college.

Our Vision

Every student is prepared to earn a college degree.

Our Mission

To open and operate small, high-quality charter schools in low-income neighborhoods, in order to:

- Increase the academic performance of underserved students
- Develop effective educator
- Share successful practices with other forward-thinking educators, and
- Catalyze change in public schools.

Equity Focus

Aspire is committed to providing equitable opportunities for our students, families, and teammates. We use an equity lens to examine our policies, practices, and systems at Aspire to strive for all groups to increase access and benefit from our work. This belief is woven throughout our core values. Read more about [Equity at Aspire](#).

Our Core Values

Purposefulness: Deliberate action focused on the organization's goals and priorities

Collaboration: Working collectively to accomplish more than what is possible alone

Ownership: Individual and group accountability for results, actions, and decisions

Customer Service: Responsiveness to the needs of external and internal customers

Quality: Commitment to excellence and the discipline to continually improve

Aspire's core values are a part of its culture, but they do not define the culture. Culture is a shared system of values, beliefs and behaviors that collectively determine how things are done in an organization; it includes but is not limited to values.

Aspire University Charter School is a safe, caring, academically rigorous and inspiring learning environment where students develop the skills, knowledge and traits to become college-educated leaders in their communities.

The School's mission is to provide all students with an exceptional education that allow them to excel inside and outside the classroom. The School seeks to achieve this mission by providing students a rigorous core curriculum, a well-trained staff, high standards and expectations, extended instructional hours and support, personalized learning opportunities, and early access to college-preparatory experiences. By ensuring students become voracious, self-motivated, competent and lifelong learners. The School will prepare them not only for college but also for the 21st Century world.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

English Language Arts / Literacy (grades 3-8 and 11)	36.0%	N/A	31.0%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	32.0%	N/A	22.0%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020–2021)

Family and Community Involvement

Aspire encourages all groups to participate in and share responsibility for the educational process and educational results. In order to achieve this important end, the School plans to share local control with an Advisory School Council (“ASC”), consisting of family and school representatives. Each school’s ASC may participate in developing school policies and share in efforts to engage the support of the community. The ASC may make recommendations about issues related to the school and participate in reviewing family and community concerns. The ASC will consist of representatives of the following parties: the principal, teachers, and family members. The principal is responsible for communicating all ASC policy recommendations to the Aspire Board of Directors. In short, Aspire’s Board of Directors oversees issues related to Aspire schools in general, while the ASCs focus on the day-to-day concerns of each respective Aspire school.

Additional Opportunities for Family Involvement

Families, students and teachers meet at least twice a year to plan and assess the students' learning progress and determine goals

R.O.P.E.S Panels – families may sit on panels to judge student work

School and Staff Evaluations – families fill out a survey each year evaluating the strengths and weaknesses they identify with the program at the School

Student-led Conferences – students will lead conferences on their work during the year to keep their families informed

Volunteer Opportunities – various opportunities will arise for families to volunteer, such as helping in classrooms, leading extra-curricular activities, assisting in event planning, attending study trips, and serving on family committees

Fundraising – families and community members may work with the school to raise additional resources to support students and the school program

Families interested in participating or learning more about our parent involvement opportunities can contact our school's main office at (209)544-8722 for additional information.

Aspire Board of Directors Meetings – families and community members are welcome to the Board meeting. In compliance with the Brown Act, Aspire posts the agenda for Aspire Board of Directors meetings at least 72 hours prior to the meeting.

School Safety Plan (School Year 2020–2021)

STATEMENT OF SAFETY POLICY

It is the policy of Aspire Public Schools (“Aspire”) to strive for the highest safety standards and to provide a safe workplace for all employees and a safe school for all students. Aspire has developed a comprehensive Injury and Illness Prevention Program (“IIP Program”) to achieve this end. The goal of this program is to minimize the frequency and severity of employee and student accidents and to comply with the laws and regulations that pertain to our operations. The program has been designed to eliminate physical hazards from the work and school environment and train all employees in safe work practices.

ASSIGNMENT OF RESPONSIBILITY

Aspire Principals have the ultimate responsibility for the implementation and enforcement of the IIP Program at their school site. Aspire Office Managers are responsible for the record keeping and coordination of the safety training programs at their school site. Employees – It is the responsibility of all Aspire employees to bring any unsafe actions, practices, or conditions to the attention of his/her manager or supervisor.

DISASTER PLANS

Disaster plans are located in each classroom. Each plan is site and classroom specific and covers such disasters as fire safety, earthquake safety, flood, severe weather warnings, electrical failure, gas line problems, water main breaks, water contamination, chemical spills, lockdown/shooting incidents, bomb threats, explosions, and intruders.

The School Safety Plan was reviewed, updated, and discussed with faculty and a student representative between August 1 - September 14.
