2020—2021 School Accountability Report Card
Reported Using Data from the 2020—2021 School Year

Phone:	(510) 658-2900	Grade Span:	K-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Aspire Berkeley Maynard Academy is a K-8th-grade school in Oakland that is part of the Aspire Public Schools network. Berkeley Maynard Academy opened in 2005. Aspire Public Schools is a non-profit organization that operates high performing charter schools across the state of California that focus on one goal—preparing urban students for college.

Vision

Every student is prepared to earn a college degree.

Mission Statement

To open and operate small, high-quality charter schools in low-income neighborhoods, in order to:

- Increase the academic performance of underserved students
- Develop effective educators
- Share successful practices with other forward-thinking educators, and
- Catalyze change in public schools.

Core Values

Bienestar (Well being): Learning, working, and playing require us to feel safe and well. Our spaces and interactions support physical, emotional, cultural, ethnic, academic, and social safety, allowing us to feel secure enough to bring our full selves each day.

Culture of Belonging: At Aspire we can be our authentic selves and be comfortable sharing all aspects of our identities. We respect and celebrate each other's differences, and approach one another with empathy and understanding - no matter one's background or cultural history. Each person is valued and has a place in this community.

Community Partnership: We are all connected and collectively responsible for the well-being of every member of our extended community. When one of us is let down, we are all let down. When one of us succeeds, we all succeed. Only in partnership and by listening deeply to one another, can we create collective movement.

Agency, Self-Determination: Learning, working, and playing require us to feel safe and well. Our spaces and interactions support physical, emotional, cultural, ethnic, academic, and social safety, allowing us to feel secure enough to bring our full selves each day.

Joy: At Aspire we can be our authentic selves and be comfortable sharing all aspects of our identities. We respect and celebrate each other's differences, and approach one another with empathy and understanding - no matter one's background or cultural history. Each person is valued and has a place in this community.

Berkeley Maynard Academy is a safe, caring, academically rigorous and inspiring learning environment where students develop the skills, knowledge, and traits to become college-educated leaders in their communities. The School's mission is to provide all students with an exceptional education that will allow them to excel inside and outside the classroom. B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2019-2020	School 2020-2021	District 2019-2020	District 2020-2021	State 2019-2020	State 2020-2021
English Language Arts / Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019—2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019—2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2021-2022)

This is Aspire's Guarantee to Parents:

At any Aspire campus, parents can expect:

- A demonstrated improvement in their child's academic performance;
- An open invitation to attend their child's classes;
- Easy, open communication with their child's teacher
- The opportunity to rate the performance of teachers and the school annually; and
- Eligibility to serve on the school's governing body, the Advisory School Council.

The School recognizes that children learn best when parents are engaged in their education. To help parents and

guardians become great coaches for their children, and to invite parent participation in all aspects of school life, the School features:

- Special Saturday classes: Scheduled at the beginning of the year, these three mandatory half-day sessions allow parents to attend school with their children.
- Participation in school decision-making: Aspire includes parent representatives on the Advisory School Council and parent participation on the school's Teacher Hiring Committee.
- Opportunities to evaluate the School and its staff: Each spring, parents are asked to complete a survey evaluating the School, the principal, and their child's teachers. The survey results are reviewed by the School staff as well as Aspire's Home Office and are a factor in personnel decisions such as merit raises.
- Regular communication about student learning and behavior: parents, students, and teachers meet at least twice a year during Family Conferences to plan and assess the students' learning progress and determine goals. In addition, the School staff will call parents regularly, both to provide positive reinforcement for academic growth and to inform parents when students make choices that do not match the School's behavior and academic expectations. In addition, the School tries to create ways for families to invest some time in volunteer service each year. The School provides a variety of opportunities to match with different skills and interests. Examples include helping in classrooms, leading extra-curricular activities, coaching sports teams, assisting with event planning, attending field trips, attending ASC meetings, serving on parent committees, fundraising, and communicating with other parents.

Advisory School Council

Aspire encourages all groups to participate in and share responsibility for the educational process and educational results. The School has a recently-formed Advisory School Council ("ASC"), which meets occasionally as needed, and consists of teachers, parents, and the School Principal. The School's ASC is intended to assist in developing School policies, engaging the community, and fulfilling certain compliance requirements related to state and federal funding. The ASC may make recommendations about issues related to the School and participate in reviewing parental and community concerns. If necessary, the principal is responsible for communicating all ASC policy recommendations to the Aspire Board of Directors.

Families interested in participating or learning more about our parent involvement opportunities can contact our school's main office at (510)658-2900 for additional information.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Expulsions	0.00%	0.00%	0.00%

Note: The 2019—2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019—2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019—2020 school year compared to prior years.

School Safety Plan (School Year 2021-2022)

It is the policy of Aspire Public Schools ("Aspire") to strive for the highest safety standards and to provide a safe workplace for all employees and a safe school for all students. Aspire has developed a comprehensive Injury and Illness Prevention Program ("IIP Program") to achieve this end. The goal of this program is to minimize the frequency and severity of employee and student accidents and to comply with the laws and regulations that pertain to our operations. The program has been designed to eliminate physical hazards from the work and school environment and train all employees in safe work practices.

ASSIGNMENT OF RESPONSIBILITY

Aspire Principals have the ultimate responsibility for the implementation and enforcement of the IIP Program at the school site. Aspire Office Managers are responsible for the record-keeping and coordination of the safety training programs at their school site.

Employees - It is the responsibility of all Aspire employees to bring any unsafe actions, practices, or conditions to the attention of his/her manager or supervisor.

DISASTER PLANS

Disaster plans are located in each classroom. Each plan is site and classroom specific and covers such disasters as fire safety, earthquake safety, flood, severe weather warnings, electrical failure, gas line problems, water main breaks, water contamination, chemical spills, lockdown/shooting incidents, bomb threats, explosions, and intruders.

Types of Services Funded (Fiscal Year 2020–2021)

At Aspire Berkley Maynard Academy, we are a community, taking pride in creating a joyful, positive culture with rigorous and engaging learning experiences for all stakeholders. Our Expanded Learning Program is funded through the After School Education and Safety (ASES) program. Within our After School program and through these funds, we partner with BUILD at UC Berkeley to provide students with engineering and design courses. We also have a partnership with Reading Partners that provides literacy intervention through our general funding. Once a year, we celebrate with students and families at a Literacy Night funded by the Oakland Education Fund and the Oakland Literacy Coalition. Measure G1 provides funding for staff retention, staffing (turning our part-time Family & Community Partnerships Manager to a full-time role, and paying for an additional dean to focus on school culture), and for MS arts & music programs (for BMA, this includes materials, supplies, and professional development). This funding supports our entire middle school (approximately 160 students).
